

GRANT[®]

RACING SERIES

MADE IN NORTH AMERICA

GRANT / *Racing Series*

GRANT Steering Wheels are hand crafted in the North America in our High Tech ISO - TS certified facility by experienced and enthusiastic craftsmanship since 1922.

GRANT Steering Wheels are manufactured with solid aluminum spoke and armature. The steel U channel is formed with cold rolled steel gauge 11 for superior strength and durability making it the safest wheel on the market. GRANT steering Wheels are certified under impact and fatigue testing and are being used by racers and OEM manufacturers in the race and off-road industries.

Aluminum spokes are inserted into the U channel and then riveted to ensure better resistance and less vibration. All this to ensure maximum safety and give the driver the ultimate driving experience with the confidence of using a steering wheel proudly produced by GRANT Products since 1922. All GRANT 100 years of manufacturing experience are placed into our steering wheels.

Vibration reduction soft touch Urethane foam technology is used on all steering wheels.

Part #698

RACING SERIES / 12.70" X 13.7" DIAMETER

GRANT

'TORAY'
Innovation by Chemistry

ultrasuede
Beautiful Possibilities

- **Structure** - Aluminum
- **Diameter** - 12.70" X 13.7'
- **Spokes** - CNC Machined Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation Hardware Included
- D Shaped top and Bottom for easy entry - exit
- Light Weight Urethane Foam Center Cap included
- Aluminum Inlay in the center cap with GRANT logo laser engraved
- All Weather Hand Wrapped Washable Leather Material Top and Bottom
- All Weather Hand Wrapped Genuine Toray Ultrasuede Left and Right
- Silver Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #603-S

RACING SERIES / 12.25" X 13" DIAMETER

- **Structure** - Aluminum
- **Diameter** - 12.25" X 13"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- D Shape Flat Bottom for easy Entry - Exit
- Installation hardware - Center Cap with GRANT decal Included
- GRANT Logo Laser Engraved on Spoke
- All weather - Hand Wrapped washable Italian wrapped textured material
- Genuine Top Grain Yellow leather Center marker
- Black Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #603

RACING SERIES / 12.25" X 13" DIAMETER

GRANT

- **Structure** - Aluminum
- **Diameter** - 12.25" X 13"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- D Shaped Flat Bottom for easy Entry - Exit
- Installation hardware - Center Cap with GRANT decal Included
- GRANT Logo Laser Engraved on Spoke
- All weather Hand Wrapped washable Italian wrapped textured material
- Genuine Top Grain Leather Yellow Marker
- Red Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #1079

RACING SERIES / 13.00" DIAMETER

- **Structure** - Aluminum
- **Diameter** - 13"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal Included
- GRANT Logo Laser Engraved on Spoke
- All weather - Hand Wrapped washable textured material top and bottom
- All weather - Hand Wrapped washable GRANT exclusive gripper material left and Right
- Genuine Red Top Grain Leather center marker
- Pre Slotted Holes in the spokes
- Pre Slotted Holes in the Wrapped material
- Red Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #689

RACING SERIES / 14 X 12.5" DIAMETER

GRANT®

- **Structure** - Aluminum
- **Diameter** - 14x12.5"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal Included
- D shape flat Bottom for easy Entry - Exit
- All Weather Washable Leather Textured Urethane Soft Touch Foam
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #1073

RACING SERIES / 13.00" DIAMETER

- **Structure** - Aluminum
- **Diameter** - 13"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal Included
- GRANT Logo Laser Engraved on Spoke
- All weather - Hand Wrapped washable textured material top and bottom
- All weather - Hand Wrapped washable GRANT exclusive gripper material left and Right
- Genuine Red Top Grain leather marker
- 2 1/2 X 1 Pre Slotted Holes
- 2 Pre Slotted switch bracket mounting location
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #8547

RACING SERIES / 13.75" DIAMETER

MADE IN NORTH AMERICA

GRANT

TORAY
Innovation by Chemistry

ultrasuede®
Beautiful Possibilities

- **Structure** - Aluminum
- **Diameter** - 13.75"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal Included
- GRANT Logo Laser Engraved on Spoke
- Hand Wrapped with genuine Toray Ultrasuede material - all weather - washable
- Ultrasuede material all weather - washable
- Genuine Yellow Top Grain Leather Center Marke
- Red Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #600-601-602

- **Structure** - Aluminum
- **Diameter** - 13.75"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal
- Hand Wrapped with GRANT all weather - washable gripper material
- Genuine Top Grain Red Center Mark
- GRANT Logo Stamped on Spokes
- Red Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #1075

RACING SERIES / 13" DIAMETER

- **Structure** - Aluminum
- **Diameter** - 13"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal Include
- GRANT Logo Stamped on Spokes
- All weather - Hand Wrapped washable textured material top and bottom
- All weather - Hand Wrapped washable GRANT exclusive gripper material left and Right
- Genuine Yellow Top Grain Leather center marker
- Pre Slotted Holes in the spokes
- Black Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #673

RACING SERIES / 13" DIAMETER

GRANT

- **Structure** - Aluminum
- **Diameter** - 13"
- **Spokes** - Stamped Black Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal Included
- GRANT Logo Stamped on Spokes
- All weather Hand Wrapped washable textured material
- Genuine Red Top Grain Leather center marker
- Pre Slotted Holes in the spokes
- Pre Slotted Holes in the Wrapped material
- Black Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

Part #633

RACING SERIES / 13" DIAMETER

- **Structure** - Aluminum
- **Diameter** - 13"
- **Spokes** - Stamped Silver Anodized
- **Construction** - Rivet with U Channel - GAUGE 11 Steel
- **Hole Pattern** - GRANT 5 Holes Pattern
- Installation hardware - Center Cap with GRANT decal Included
- GRANT Logo Stamped on Spokes
- All weather - washable textured material top and bottom
- All weather - washable GRANT exclusive gripper material left and Right
- Genuine Red Top Grain Leather center marker
- Pre Slotted Holes in the spokes
- Pre Slotted Holes in the Wrapped material
- Black Stitching
- Can use 3 hole or 5 hole Adaptors & Quick Releases

CARBON FIBER BRACKETS

RACING SERIES

- Real Carbon Fiber Brackets
- 3MM Thickness
- 9 Holes pattern for Maximum installation flexibility
- Installation Hardware Included
- Pre Drilled Holes

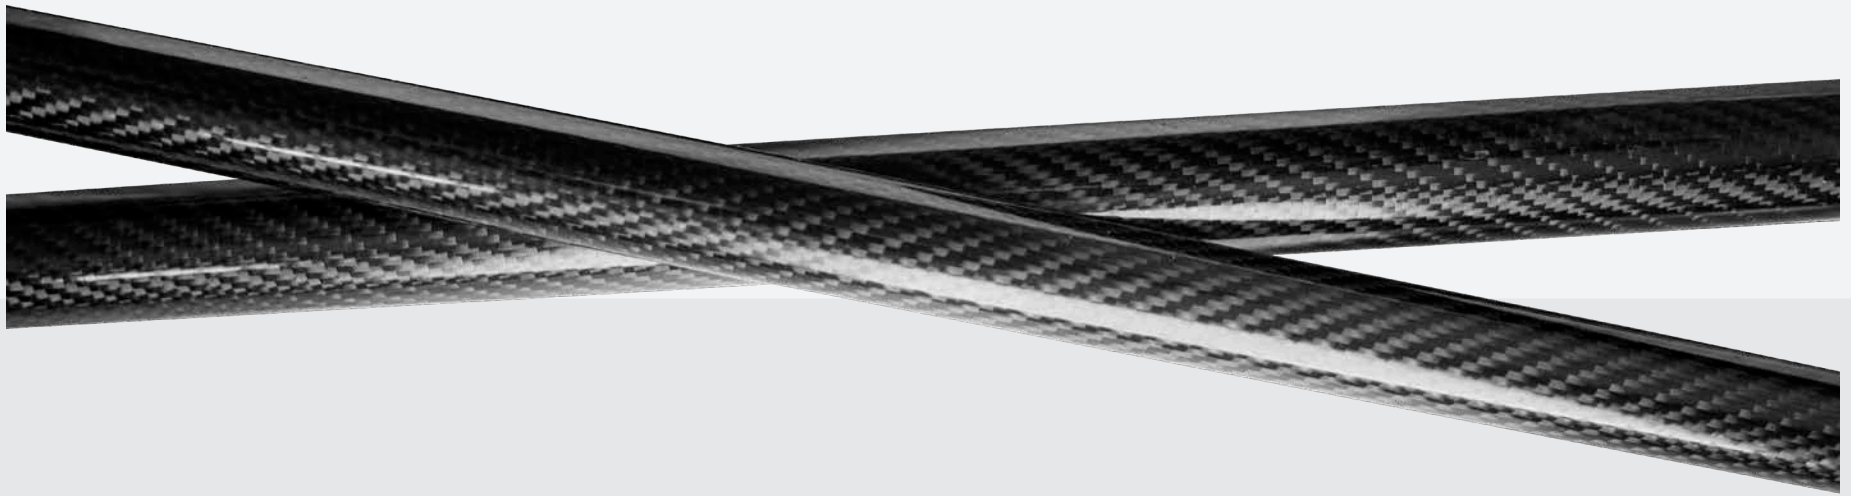

No. Part	Description
261	Carbon fiber 1 Hole Switch Plate for Steering Wheel 3mm Low Gloss
262	Carbon fiber 2 Hole Switch Plate for Steering Wheel 3mm Low Gloss
264	Carbon fiber 4 Hole Switch Plate for Steering Wheel 3mm Low Gloss

CARBON FIBER ROLL CAGE PROTECTORS

RACING SERIES

GRANT®

- Real Carbon Fiber
- Ultra Weight Material
- 100% Corrosion Resistance
- Different Length and Diameters Available

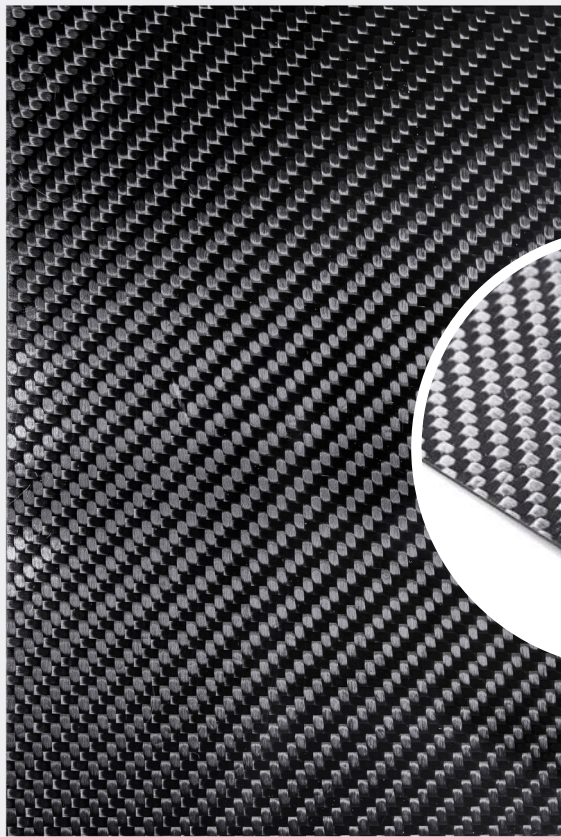

No. Part	Description
-----------------	--------------------

220	Carbon Fiber Tube & Roll Cage Protector 59" Long for Tubes 1.25 to 1.50 in Diameter
225	Carbon Fiber Tube & Roll Cage Protector 48" Long for Tubes 1.25 to 1.50 in Diameter
230	Carbon Fiber Tube & Roll Cage Protector 30" Long for Tubes 1.25 to 1.50" in Diameter
235	Carbon Fiber Tube & Roll Cage Protector 59" Long for Tubes 1-5/8 to 2" in Diameter
240	Carbon Fiber Tube & Roll Cage Protector 48" Long for Tubes 1-5/8 to 2" in Diameter

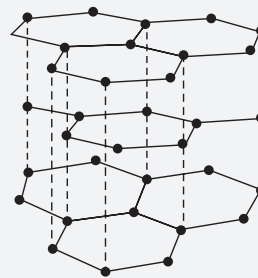

CARBON FIBER SHEETS

RACING SERIES

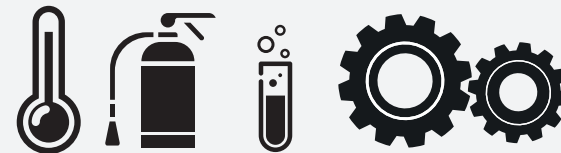

Carbon fiber is a **composite material**, i.e., consisting of a part of the fabric combined with a matrix which can be of various types and which, depending on its properties, gives different characteristics to the material. The combination of resins and production processes allows obtaining numerous combinations, and therefore materials with different characteristics.

The carbon Fiber Panels are made using an autoclave to obtain rigid sheets with superior properties.

High mechanical strength, low density, thermal insulation capacity, resistance to temperature variations and the effect of chemical agents, good flame retardant properties.

No. Part Description

200	Real Carbon Fiber Sheet. Dry vacuum pressed low gloss-matte finishing. Size 19.4 Inches X 48 Inches
205	Real Carbon Fiber Sheet. Dry vacuum pressed low gloss-matte finishing. Size 24 Inches X 39 Inches
211	Real Carbon Fiber Sheet. Dry vacuum pressed high gloss finishing. Size 19.4 Inches X 48 Inches
215	Real Carbon Fiber Sheet. Dry vacuum pressed high gloss finishing. Size 24 Inches X 39 Inches

QUICK RELEASES

RACING SERIES

GRANT

SFI Certified Quick Releases

- Steering Wheel Fitment 3-bolt or 5 Bolt Design
- Steering Wheel Release Style Pinless Style, pull to release
- Quick-Release Material: Aero Space Grade Aluminum

No. Part	3 Bolt Application
3001	"Pinless" For GM Splined Shaft
3002	For Ford Splined Shaft
3003	To Weld on 5/8" Shaft
3004	To Weld on 3/4" Shaft
3005	Will fit 1984 thru 2004 Mustangs, 3 bolt mounting pattern wheels
3040	Mustang 2005 - on, 3 bolt mounting pattern wheels

No. Part	5 Bolt Application
3001 B	"Pinless" For GM Splined Shaft
3002 B	For Ford Splined Shaft
3003 B	To Weld on 5/8" Shaft
3004 B	To Weld on 3/4" Shaft
3005 B	Will fit 1984 thru 2004 Mustangs, 5 bolt mounting pattern wheels
3040 B	Mustang 2005 - on, 5 bolt mounting pattern wheels
