Nitrogen Tire Inflation+Purging Equipment

**The Easiest to Use, Most Efficient  
Nitrogen Tire Inflation and Purging  
Equipment on the Market!**

*High quality construction*

*Simple to use*

*Fully automatic*

*Inflate up to 4 tires at a time with up to 5 purge cycles*

*Efficiently uses cylinders of 99.9% pure nitrogen*

*Low maintenance*

## Nitrogen Tire Inflation+Purging Equipment for the Racing Industry

- ✓ **Simple to use.** Connect 4 tires, set desired pressure and press Start. Purge and inflation cycles are performed automatically.
- ✓ **Fast.** Inflates 4 tires with 2 purge cycles in less than 10 minutes, hands free.
- ✓ **Accurate.** Tires are inflated exactly to the desired pressure with nitrogen from a cylinder. Integrated dryer ensures dry nitrogen.
- ✓ **Efficient.** Thanks to automation and accuracy, you'll use ~60% less nitrogen than with manual inflation methods.
- ✓ **Safe for tires.** No vacuum is applied to tires, ensuring no distortion of the tire carcass or sidewall.
- ✓ **Low maintenance.** No expensive parts needed to keep the machine running.
